425-369-1222
To arrange send Email to Manager
debbi.montgomery@pccsea.com
Ask if demo table is available and
busy times of store to go set up.

Contact the store manager in advance to arrange when you'd like to go do your event. Call the manager on the list (except email Debi - Issaquah store). Obviously going during a busy time, you'll interact with more people.

Many of the stores have demo tables – ask if available and you may want to put a "card" type table/ chair in your car as a backup in case its being used for a last min. demo.

Please provide any feedback to us about your event INFO@GMOFreeSeattle.com
Tell us # people you talked to, pass along any names and especially highlight with notes any people wanting to get involved with GMO Free Seattle.
Pass along level of interest of people, objections, ideas / insight you have.
